Registration will open on March 1st. 2026

Weekly Camping Program

Camp Discovery, a camping facility designed to serve people with intellectual and developmental disabilities, is owned and operated by the Tennessee Jaycee Foundation, Inc. All programming will be in direct consultation with, and closely supervised, by our Camp Director. Our staff will include a core group of administration, teachers, nurses, lifeguards and college students in special education and related fields. Our staff changes somewhat from year to year as we continually work to keep the best and bring in new people who are eager and motivated to serve people with special needs. The camp's facilities, programming and supervision are all designed to ensure each camper receives a safe and rewarding weeklong experience. **The counselor-camper ratio will be as close to one-to-three as possible. We are unable to provide a one-on-one experience for the campers, so if your camper requires this needed attention, we will not be able to be accommodate.**

The Program

Activities in the specialty areas will be planned and instructed by experienced staff members. Campers will participate in such activities as: arts and crafts, outdoor recreation, music, games, contests, sports, dancing, movies, cabin activities, and swimming when weather permits.

Primary Objectives

To provide a fun and safe environment during the summer months, using water-related and outdoor activities for campers with various special needs. An associated purpose is to provide training for supervisory and administrative personnel who will implement similar camp programs in other states.

Location

The campsite is in the Flynn's Lick Creek area of Cordell Hull Lake in Jackson County, Tennessee (Gainesboro). This is approximately halfway between Nashville and Knoxville, about 20 miles north of Interstate 40. The land is flat to rolling with wet weather streams and waterfalls. Approximately 50% of the tract is covered with thick growths of large hardwood trees. The area is conducive to all types of camping activities, i.e. hiking, nature studies, and water activities. Directions are available on the last page or on our website at www.campdiscoverytn.org/contact-page/

Dormitory and Indoor Activities

All dormitories are fully insulated, heated, and air conditioned to be comfortable. The Camp also has a large heated and air-conditioned Dining Hall / Recreational Area and other buildings to accommodate all activates during inclement weather.
